

Tengzhou Borui CNC Machine Co., Ltd. was founded in October 2015. It is located in the Tengzhou Economic Development Zone. Borui CNC machining manufacturer covers an area of about 60,000 square meters. We are a CNC machining production, research and development, and foreign trade sales of high-tech enterprises. At present, the main products are CNC vertical/horizontal machining centers, CNC lathes, drilling and tapping centers, and gantry machining centers.

Our products are sold all over Europe, the United States, Asia and Africa. We are warmly looking forward to working with colleagues from all over the world. We make unremitting efforts to promote the construction of China's high-tech industry. Borui CNC machine factory takes technology as the foundation of service and takes customer needs as the core of service. We can create products that meet customers with the most professional service.

Morocco Trade BORUI Price list 2024 March

Milling Machine

<i>BR3018 CNC Gantry Milling Machine</i>	<i>228.000-268.000 Euro</i>
<i>BR3022 Gantry CNC Milling Machine</i>	<i>235.000-275.000 Euro</i>
<i>GMB2016 Gantry Milling Machine</i>	

CNC Vertical Machining Center

<i>XH7126 CNC Vertical Machining Center</i>	<i>170.000.-218.000 Euro</i>
<i>VMC1270 CNC Vertical Machining Center</i>	<i>168.000.-231.000 Euro</i>
<i>VMC650 CNC Vertical Machining Center</i>	<i>105.000.-138.000 Euro</i>

CNC Pipe Threading Lathe Machine

<i>QK1319 CNC Pipe Threading Lathe Machine</i>	<i>188.000-244.000 Euro</i>
--	-----------------------------

Ordinary Double Column Band Saw Machine

<i>GY4270 Horizontal Band Saw Machine</i>	<i>41.000-55.000 Euro</i>
<i>GH4235 Ordinary Band Saw Machine</i>	<i>35.000-42.000 Euro</i>

CNC Horizontal Machining Center

<i>BR800 CNC Horizontal Machining Center</i>	<i>226.000-255.000 Euro</i>
<i>BR500 CNC Horizontal Machining Center</i>	<i>205.000-235.000 Euro</i>

CNC gantry machining center

<i>BR6232 Heavy Duty Gantry Type CNC Milling Machine</i>	<i>285.000-345.000 Euro</i>
<i>BR2516 CNC Gantry Milling Machine</i>	<i>135.000-174.000 Euro</i>

Flat CNC Lathe

<i>CK61180L CNC Flat Bed Lathe Machine</i>	<i>49.000-62.000 Euro</i>
<i>CK61140L CNC Flat Bed Lathe Machine</i>	<i>43.000-55.000 Euro</i>
<i>CWK61125 Heavy Duty CNC Flat Bed Lathe Machine</i>	<i>88.000-141.000 Euro</i>
